

# May/June Speller's Choice Menu

Choose one activity each night for the months of May/June in order to prepare for your spelling test on Friday. Please write the name of the activity completed, at the top of each assignment. Only 2 of the assignments will be due each week.

Homework is due on Friday.

Please choose any 2 assignments

1. Stand-Out Vowels: Practice spelling your words on your Speller's Choice paper. Every time you get to a vowel in your spelling word, write that vowel in green.
2. Spelling City: Go to the website [www.spellingcity.com](http://www.spellingcity.com) and select Search. Choose Teachers/Parents. Type in DTE2. Click on Second Grade Dallastown. Next to the group you are in, click on Games and then Spelling Test. Complete the spelling test first and then play any games that you would like. Write Spelling City on your Speller's Choice page and have an adult sign it to show that you completed this activity.
3. Small/Medium/Large Words: Write your words in a list, using the smallest possible letters you can. Next to each word, write the word using normal handwriting. Next to that word, write your word using JUMBO letters.
4. Appearing Words: Write each word, then write the first letter of the word. Then, write the first two letters. Continue by adding each letter until you have written the word in its complete form.  
Example: flower f\_\_ fl\_\_ flo\_\_ flow\_\_ flowe\_\_ flower
5. Silly Sentences: Use your words to write 15 silly sentences on your homework paper.
6. Choo Choo Words: Write all of your words, one right after the other, using a different color for each word, to make your word train.
7. Practice Test: Have an adult quiz you on your spelling words for the week. Write the words on the Speller's Choice paper. When finished, make corrections next to any words spelled incorrectly.
